

## M90R3548SER: REPLACEMENT STARTER MOTOR FOR MAN AND NEOPLAN BUSES

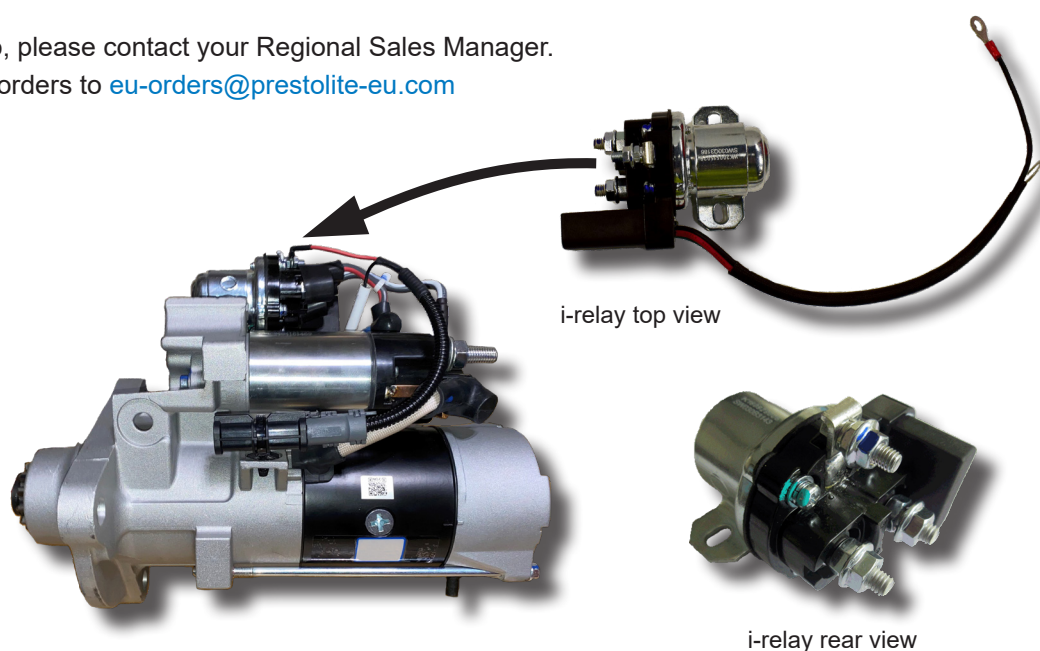

- Brand new, not reconditioned
- No surcharge, no exchange required
- 24V / 6.0kW (starter)
- Fitted with i-relay

Prestolite are pleased to offer a replacement starter motor for MAN and Neoplan buses, now fitted with an i-relay for improved performance.

The i-relay monitors and controls the starter motor engagement functionality, providing enhanced starter functionality and protection, particularly on difficult to start applications with worn ring gears.

For further info, please contact your Regional Sales Manager.
